The Anchorage Hotel is the oldest licensed premises in Troon dating back to 1812 when it was an old coaching inn.

In 1901 the hotel was used as a meeting place for golfers before boarding the horse-drawn carriage service from the hotel to Royal Troon.

To this day our hotel still holds that tradition of all those years ago with golfers meeting from all over the world before and after a round of golf.

A very warm and friendly welcome awaits from our team of staff who take pride in making sure your time at our hotel is very enjoyable.

Our warm and welcoming bar is the perfect place to relax with a drink or enjoy your freshly prepared meal. For special occasions consider our private dining room which can accommodate a table for up to 40 guests.

In the summer months our large landscaped beer garden is a great place to meet with friends for a meal and a few drinks.

Our hotel is the perfect base for your stay whether it's for a golfing break or just to get away from it all and enjoy the wonderful scenery and attractions the West Coast of Scotland offers.
